

ROVER & SOUL
PHOTO- & VIDEOGRAPHY

A LITTLE BIT ABOUT US...

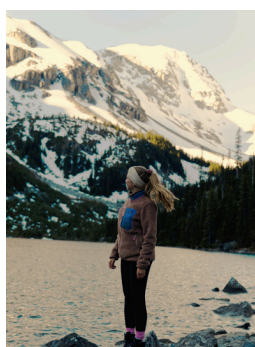

We are Bianca and Tim, a couple from Germany, both 28 years young and travelling to enjoy life to its fullest. Our home on wheels is a **23-year-old Land Rover Defender**, in which we cook, sleep and travel tens of thousands of kilometres.

Over the next few months, we will be exploring parts of **Canada and the US**. Your products can be part of this special time: an **endless indian summer**, adventures in the mountains, **distant road trips** and **camping** in the most incredible places.

We offer **professional photography and videography** to perfectly showcase your brand. Join us on our journey and let's create lasting memories together.
